*** Managed Case Rules**

In cases deemed by Us to be complex, Managed Case Rules may be used to approve additional coverage beyond the standard Participating Attorney maximum fees or to ensure that Non-Participating Attorney fees are reasonable and customary. Managed Case Rules provide protection for Members by limiting or preventing additional charges that Members would otherwise be responsible for. Managed Case Rules may be enacted prior to or after the initial consultation. Managed Case Rules require the following:

1. The Member should contact the Member Service Center prior to proceeding with an attorney. If the Member understands from the attorney that there may be additional charges beyond the covered charges under the Policy and the Member does not contact the Member Service Center prior to proceeding with the attorney, then the Member may be responsible for those additional charges beyond the covered charges under the Policy, even on a Paid In Full benefit.
2. If it is determined that the complexity of the case may require additional hours beyond the standard Participating Attorney maximum, or that the Non-Participating Attorney charges are higher than reasonable and customary fees, the attorney must provide a written estimate of fees reflecting his or her best judgment as to the likely cost of legal services based on the expected conduct of the case.
3. We will set a maximum attorney fee that takes into consideration the reasonable level of reimbursement of the proceeding and the proposed litigation strategy. Fees as a result of services in excess of the maximum attorney fee are the responsibility of the Member.
