

Peace of Mind on Every Drive

Feel safe when you're behind
the wheel

Embrace the freedom to enjoy driving hassle-free with the security of technology and safety knowing an attorney is with you in the car at all times.

1

Our newest mobile app, TURNSIGNAL, allows drivers and their families to chat face-to-face with an attorney if pulled over or in an auto accident. Much like "Facetime".

2

Access to trusted attorneys, who are experts in personal injury, traffic issues and criminal law. Trained to help ease anxiety and reduce tension.

3

De-escalation of roadside interactions, protect a members'/families' civil rights and ensure both the driver and law enforcement return home safely.

HOW TURNSIGNAL WORKS

Connect in Real-Time

When you're pulled over, launch the app with the press of a button or single voice command.

Start Recording

The app begins to record through the front-facing camera and stores audio and video in the user's cloud. This information is only accessible to the member.

Video Chat with Attorney

An expert attorney appears on the screen to guide and de-escalate the entire interaction.

Get Home Safe

Our mission is to get everyone home safely and provide guidance for future action if needed.

GET STARTED WITH THE TURNSIGNAL APP
